

Certification of Completion of Emergency Response Plan For Public Water Supplies

A final step in completing an Emergency Response Plan (ERP) for your public water supply is to submit this form to the appropriate address for record-keeping purposes. This form should be submitted to the Illinois Rural Water Association, P. O. Box 6049, Taylorville, Illinois 62568. This information will be entered into the Emergency Response Plan for Public Water Supplies Rural Development database to serve as a record that your public water supply has completed its' ERP. This document is needed to meet this requirement in the Rural Development loan and/or grant application process.
