

Beginning Wastewater (Sewage) Treatment Class 3 and 4

This course will help prepare you for the Class 3 and Class 4 wastewater operators' state exam and IL EPA certification. Applicants must meet specific experience, education, and examination requirements in order to qualify for certification. You will earn three months of on-the-job credit by completing this class and gain confidence in your abilities as you take this first step in moving up in this vital field.

Topics include:

- Introduction to wastewater
- Collection systems
- Lift stations
- Flow measurement
- Stabilization ponds
- Sampling and laws governing treatment plants
- Chlorination
