

Your Path to Success Begins Here!

ABOUT THE PROGRAM

This is a nationally recognized training program. It was developed in response to the industry's need to train the next generation of skilled workers and standardize training across the state of Illinois.

WHY APPRENTICESHIP?

- ◆ Earn as you learn
- ◆ College not required
- ◆ Make a real difference
- ◆ Gain practical skills you can take anywhere
- ◆ Train alongside an experienced technician (2 year program)
- ◆ Highly respected profession
- ◆ Every community is required to have a certified Water / Wastewater Operations Specialist

MAKE A DIFFERENCE IN PEOPLE'S LIVES

Water and Wastewater Operations Specialists are imperative for communities to have access to clean, safe, potable drinking water and to ensure wastewater effluent is returned to the environment properly.

Without properly trained personnel in these roles, our community and health would suffer.
