

Each certification overview manual includes over 100 general multiple choice and several math problems, as well as some useful training handouts.

### **Pre-Registration is required**

When your registration is received, we will mail the training material to you. When you are ready to go over the materials, you may call the circuit rider or wastewater tech and set up your appointment.

The cost for materials is \$125.00 per person for the first class for members and \$175.00 for the first class per person for non-members.

If you are ordering two books at the same time, a 50% discount is given on the 2nd class. *(both classes must be for the same person—2 people taking the same class are not eligible).*

***Please allow one month after registration for scheduling.***

Call us with questions at:
