## TRAINING OBJECTIVE:

Illinois Rural Water Association, with funding from the U.S. EPA, through a partnership with NRWA, is conducting this no cost training program. Participants will gain an awareness of the pathogen risk in potable water and the role of tank maintenance/inspection in preserving long term infrastructure investments. The final session of this program will be an open forum. So, bring you questions and stump the chumps.

The intended audience of this program is Illinois public water supply officials including operational staff and decision-makers.

All necessary materials for the sessions will be furnished at the time of the program.

**This course has been approved by the IEPA for 3 hours of operator certification renewal credit.**

**This is an at-no-charge training program!**
