TRAINING OBJECTIVE:

Illinois Rural Water Association, with funding from the U.S. EPA, through a partnership with NRWA, is conducting this no cost training program. Participants will review boil order and cross connection control requirements in Illinois. Attendees will also gain an understanding of the role of tank maintenance/inspection in preserving long term infrastructure investments.

The intended audience of this program is Illinois public water supply officials including operational staff and decision-makers.

All necessary materials for the sessions will be furnished at the time of the program.

This course has been approved by the IEPA for 3 hours of operator certification renewal credit.

This is an at-no-charge training program!
