TRAINING LOCATION

Water Treat Technologies
310 S. Chestnut Street
Centralia, IL 62801

TRAINING OBJECTIVE

Illinois Rural Water Association, with funding from the U.S. EPA, through a partnership with NRWA, is conducting this no cost training program. Sessions will include information on Sample Handling / DMRS, Smoke Testing for Municipal Systems and Sludge Management for Lagoons.

The intended audience of this program is Illinois wastewater treatment officials, including operational staff and decision makers.

All necessary materials for these sessions will be furnished at the time of the program. This course has been approved by the Illinois EPA for **3 hours of wastewater treatment plant operator certification renewal credit**.
